ABOUT AFTER SCHOOL ALL STARS (ASAS)

After School All Stars is the nation's largest school-based, after-school provider focused on middle school. Each day, we offer a combination of academic support, enrichment, and healthy living activities to those who would not have access to them otherwise. We provide a safe-haven between 3–6pm, the time of day when youth violence, drug use, and other dangerous behaviors are most likely to occur.

ABOUT THE GOLF CLASSIC

The Golf Classic is one of the main fundraising events for ASAS Cleveland. This scramble style tournament is designed to bring business and civic leaders together to enjoy golf and networking while raising money and awareness to support the under-served middle school students in our community.
